

## Section 3.14 Aging Programs – 2012

Removed guidance for compliance testing for individual aging programs that had been in previous versions of the audit guide. For programs selected for major program testing:

- For federal- funded programs, use applicable federal audit guidance as supplemented with [DHS Audit Guide](#), Section 2 “General Requirements.”
- For state funded programs, use the guidance in [DHS Audit Guide](#), Section 3.12 “Guidance for auditing a program that does not have a compliance supplement.”

### Questions
