

STATE OF WISCONSIN
CLASSIFICATION SPECIFICATION

SECURITY AND TRANSPORTATION SUPERVISOR

I. INTRODUCTION

A. Purpose of This Classification Specification

This classification specification is the basic authority [under Wis. Admin. Code ER 2.04] for making classification decisions relative to present and future professional supervisory positions located within the Department of Veterans Affairs, Division of Wisconsin Veterans Home, which function as the Supervisor of the Security and Transportation Section. This classification specification will not specifically identify every eventuality or combination of duties and responsibilities of positions that currently exist, or those that result from changing program emphasis in the future. Rather, it is designed to serve as a framework for classification decision-making in this occupational area.

B. Inclusions

This one-position classification specification encompasses the professional supervisory position located within the Department of Veterans Affairs, Division of Wisconsin Veterans Home, which functions as the Supervisor of the Security and Transportation Section. The position allocated to this classification supervises and directs the programs for safety, security, fire, transportation and related member care services at the Wisconsin Veterans Home; and meets the statutory definition of supervisory as defined in Wis. Stats. 111.81(19). The position in this classification is also responsible for program planning, policy and procedure input and development, budget development for the section, and supervision of staff within their respective program area.

C. Exclusions

Excluded from this classification are the following types of positions:

1. Positions located outside of the Department of Veterans Affairs or positions which do not function as the Supervisor of the Security and Transportation Section.
2. Positions which do not meet the statutory definition of supervisory as defined in Wis. Stats. 111.81(19).
3. All other positions which are more appropriately identified by other classification specifications.

D. Entrance Into This Classification

Employees typically enter positions within this classification by competitive examination.

II. DEFINITIONS
