

INTRODUCTORY NOTES

Effective Dates

This Compensation Plan is a revision of the 2011-2013-15 Plan. Unless otherwise noted, the effective dates for all portions of this Compensation Plan will be based on the beginning date of the pay period closest to July 1 for each fiscal year. For all employees on biweekly payroll systems, these dates will be June 30, 2013 through June 28, 2014, for fiscal year 2013-2014 June 28, 2015 through June 25, 2016, for fiscal year 2015-2016; and June 29, 2014 through June 27, 2015, for fiscal year 2014-2015 June 26, 2016 through June 24, 2017, for fiscal year 2016-2017; unless otherwise noted. These dates will be June 30, 2013 through June 27, 2015 June 28, 2015 through June 24, 2017, for the 2013-2015-2017 biennium, unless otherwise noted. On the dates during which pay rates change, the revised rates become effective after processing of pay changes as the result of personnel transactions occurring on the same date in accordance with Section I, 4.01 of this Plan, unless otherwise noted.

Special Note for University of Wisconsin Employee Coverage

University of Wisconsin employees will continue to be covered under the 2013-2015 Compensation Plan until July 1, 2015, at which time they will have a separate civil service system and will no longer be subject to Compensation Plan provisions. Provisions and classification titles exclusively related to the UW have been removed from the 2015-2017 Compensation Plan.

Special Note Regarding References to the Office of State Employment Relations

If approved in the current budget bill, the Office of State Employment Relations (OSER) will become the Division of Personnel Management in the Department of Administration. Assuming approval, on the budget bill enactment date:

References to OSER and the OSER Director will mean the division and its administrator, respectively;

References to the Division of Merit Recruitment and Selection (DMRS) and the DMRS Administrator will mean the Bureau of Merit Recruitment and Selection and its bureau director, respectively.

References to the Division of Compensation and Labor Relations (DCLR) and the DCLR administrator will mean the Bureau of Compensation and Labor Relations and its bureau director, respectively.

NOTE: The above changes and some pay provisions contained in this Compensation Plan are provided for in the budget bill. If the bill that is enacted does not allow for the implementation of certain provisions in this Compensation Plan, those provisions will be invalid and considered deleted.

Official Hourly Rate

Hourly pay adjustments and pay schedules in this Compensation Plan, and the pay rates of employees covered by this Plan, will be rounded up to two decimal places on June 28, 2015. These changes are in anticipation of PeopleSoft system implementation, which will require all pay rates and pay schedule rates be based on two decimal places. All subsequent computations of pay rates for employees covered under this Plan are based on the Official Hourly Rate (OHR) rounded to three decimal places for base pay and two decimal places for both base and supplemental pay.

NOTE: When an OHR is affected by a pay adjustment, the following rounding procedures are used:

1. ~~For Adjustments To Base Pay: The computation is carried out to five decimal places and any digits appearing beyond the fifth decimal place are dropped. If any digit other than zero appears in either the fourth or fifth decimal column, the digit in the third decimal column is rounded up.~~
2. ~~For Adjustments To Supplemental Pay (e.g., Physician Board Certification Add-On): The computation is carried out to five decimal places and any digits beyond the fifth decimal place are dropped. If any digit other than zero appears in the third, fourth or fifth decimal column, the digit in the 2nd decimal column is rounded up.~~

Refer to Chapter 504 of the Wisconsin Human Resources Handbook for additional information relating to Official Hourly Rate Rounding.

In addition, any calculations related to annual rates will use 2080 hours instead of 2088 hours, also in anticipation of PeopleSoft system implementation.

INTRODUCTION

Pursuant to s. 230.12(1)(a)3., Wis. Stats., provisions governing salary transactions for classified employees, except those in the public safety bargaining unit, are contained in this Compensation Plan. Pay provisions currently contained in this Section (Section A) of the Plan include nonrepresented General Wage Adjustments; Nonrepresented Annualized General Wage Adjustments; Relocation Incentive Awards; Progression Adjustments for Certain Classifications; Pay on Survey Regrade; Supplemental Pay and Overtime Compensation. **General Wage Adjustments will only apply to employees who are not covered by a certified collective bargaining unit.**

1.00 Coverage

The provisions of this Section (Section A) apply to **all project employees and all permanent employees** in the classified service who are not covered by the public safety collective bargaining agreement:

- (a) A "**permanent employee**" is a person who is an employee as a result of an appointment to a position in which permanent status can be attained, whether or not the employee has attained permanent status.
- (b) A "**project employee**" is a person who is an employee as a result of an appointment to a project position under conditions of employment which do not provide for attainment of permanent status. All project employees in the classified service are covered by this Plan.

2.00 Base Pay Adjustments and Lump Sum Awards for Fiscal Years ~~2013-2014 and 2014-2015-2016 and 2016-2017~~

2.01 Nonrepresented General Wage Adjustment (GWA) and Annualized GWA

GWA:

- ~~(1) Effective Dates. The GWAs will be effective June 30, 2013, in FY 2013-2014; and June 29, 2014, in FY 2014-2015.~~
- ~~(2) Eligibility. All employees who are in pay status on the effective date are eligible to receive a GWA except the following:~~
 - ~~(a) Employees represented by a certified collective bargaining unit on the effective date of the GWA.~~
 - ~~(b) Employees whose job performances were rated below satisfactory as a result of formal performance evaluations conducted in the 12-month period ending June 29, 2013, for FY 2013-2014 and ending June 28, 2014, for FY 2014-2015.~~

~~(e) Supervisors who have not completed formal performance evaluations on all subordinate employees, for whom performance evaluations are required, within the 12 month period ending June 29, 2013, for FY 2013-2014 and ending June 28, 2014, for FY 2014-2015. If the required performance evaluations are performed by September 30 of the applicable fiscal year, a supervisor shall be granted a Delayed Award if the supervisor had been denied the GWA solely because of the failure to complete evaluations. The GWA will be effective October 6, 2013, for FY 2013-2014 and October 5, 2014 for FY 2014-2015, with no retroactive pay or lump sum payment for the delay.~~

NOTE: Extenuating circumstances may exist (e.g., leaves of absences) that would allow a supervisor to receive a GWA even though the required performance evaluations were not completed within the mandated time frames. Contact OSER, Division of Compensation and Labor Relations for further assistance.

~~(d) Any employee paid at or above the pay range maximum, or the new pay range maximum, if a new pay range maximum takes effect on the same date as GWA distribution. An employee who is not eligible to receive a GWA solely because his or her base pay is at or above the pay range maximum or new pay range maximum, if applicable, may qualify for an Annualized GWA Payment.~~

~~(e) Classified Legal and related (refer to Section C of this Plan).~~

~~(f) Trainees eligible for scheduled trainee increases (refer to Section E, 1.04 of this Plan).~~

~~(g) Any employee in a position not eligible under (a) above, who later becomes eligible and who was in employment status on the effective date of a GWA, but did not receive or was not considered for the GWA, will be granted:~~

~~1. The GWA(s) or Annualized GWA(s) as provided above.~~

~~2. An associated lump sum payment for all the hours in pay status from the effective date(s) of the GWA(s) provided above, to the effective date of becoming eligible.~~

~~3. Any GWA(s) received above, will be granted prior to setting pay upon appointment if moving to a new position.~~

~~(3) Amount. All eligible employees will receive a GWA of 1.0% on June 30, 2013 and 1.0% on June 29, 2014. Also effective June 30, 2013, any employee whose base pay rate is less than \$15,000 per hour after implementation of the 1.0% GWA effective on that date, will receive an additional GWA increase of \$0.250 per hour, except that the increase cannot result in a base pay rate~~

exceeding \$15,000 per hour. These increases are subject to the following restriction:

An employee's new base pay after application of the GWA must not exceed the pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution. Use the new broadband pay range maximums for employees who will be reallocated into broadband pay ranges that are created effective June 30, 2013. (Refer to Annualized GWA Payment provisions under 2.02 of this Section.)

NOTE: Section I, 4.01 of this Plan notwithstanding, reallocations on June 30, 2013, into new broadband pay ranges created effective on that date, will occur **after** the implementation of the FY 2013-2014 GWA and related pay schedules. In addition, reallocations to the new schedule 06, 07, and 70 broadband pay ranges effective June 29, 2014, will occur after the implementation of the 2014 2015 GWA and related pay schedules. Also, pay on reallocation for these pay range reassignments under Section I, 4.09 of this Plan will **not** be provided.

- (4) ~~Ineligibility Due to Performance.~~ Any employee who is not eligible to receive a GWA because of job performance must receive a written notice that states the extent to which the employee's performance has not met management's expectations. This notice must also include recommendations for improvement.

Annualized GWA Payment:

- (1) ~~Granting Date.~~ Annualized GWA Payments will be granted as soon as administratively feasible after the effective date of the applicable GWA above.
- (2) ~~Eligibility.~~ Any employee will receive an Annualized GWA Payment if either of the conditions described under (a) or (b) below, apply:
- (a) ~~The employee was not eligible to receive a GWA solely because his or her base pay was at or above the pay range maximum, or the new pay range maximum if a new pay range maximum takes effect on the same date as GWA distribution.~~
- (b) ~~The employee did not receive the full GWA amount because of the pay range maximum limitation.~~
- (3) ~~Amount.~~ The amount of the Annualized GWA Payment is subject to the limitations under (a) and (b), below:
- (a) ~~For employees who qualify for an Annualized GWA Payment because of the condition described under (2)(a) above: The hourly amount used~~

in calculating an Annualized GWA Payment will equal the full GWA amount (i.e., 1.0% on June 30, 2013 and 1.0% on June 29, 2014).

- ~~(b) For employees who qualify for an Annualized GWA Payment because of the condition described under (2)(b) above: The hourly amount used in calculating an Annualized GWA Payment will equal the difference between the full amount (i.e., 1.0% on June 30, 2013 and 1.0% on June 29, 2014) and the partial GWA amount the employee actually received.~~
- ~~(4) Calculating Annualized GWA Payments. Annualized GWA Payments will be calculated by multiplying the hourly amount determined to be appropriate for the employee in accordance with (3) above, by 2088 for employees budgeted as full time. Annualized GWA Payments provided to permanent part-time or seasonal employees will be prorated on the basis of budgeted percentage of Full-Time Equivalency (FTE) on the GWA distribution date.~~
- ~~(5) Annualized GWA Payments for Employees on Approved Unpaid Leaves of Absence. Any employee who is on an approved unpaid leave of absence as of the effective date of the GWA and who qualifies for an Annualized GWA Payment, will receive an Annualized GWA Payment, subject to the following restrictions:
 - ~~(a) The employee must return from the leave of absence to pay status by June 28, 2015, and the employee's restoration right must be derived from a position covered by the GWA provisions of this Section (Section A), Section C of this Plan, or the employee becomes eligible under (g) of the GWA eligibility above.~~
 - ~~(b) The employee will not receive an Annualized GWA Payment until he or she has returned to pay status.~~
 - ~~(c) The hourly amount used in the calculation of any Annualized GWA Payment will equal the amount determined under (3), above.~~~~

There is no GWA or Annualized GWA in either fiscal year.

2.02 Schedules 50, 70, 71 and 81 Relocation Incentive Awards

- (1) Effective Dates and Amounts. Noncumulative Relocation Incentive Awards may, at the discretion of the appointing authority, be granted to employees who relocate, pursuant to s. 20.917(1)(a) and (b), Wis. Stats., as a result of promotion or transfer. Noncumulative Relocation Incentive Awards will be granted in the form of one time payments in any whole dollar increment up to an amount equal to 125% of the monthly minimum for the pay range to which the employee's new position classification is assigned. The monthly minimum is calculated as the pay range minimum hourly rate multiplied by 174. The award must be approved at the time of appointment. The appointment letter will specify the amount of the award and indicate that approval is contingent

upon reimbursement for his or her moving expenses. The award may be paid at any time within three months after the employee has received such reimbursement.

- (2) Eligibility. Permanent employees covered by this Section (Section A) whose positions are allocated to schedules 50, 70, 71, and 81 and who meet the eligibility criteria for moving expense reimbursement under s. 20.917(1)(a) and (b), Wis. Stats., are eligible for Relocation Incentive Awards provided the employing agency has written criteria approved by OSER, Division of Compensation and Labor Relations. These criteria must ensure that relocation incentive awards will be distributed in a uniform manner throughout the agency or employing unit.
- (3) Funding. These awards are funded from each agency's salary line.

The written notification(s) will include:
 - 1) Details of each occurrence of unsatisfactory performance;

 - (c) ~~An employee who has already received two (2) progression adjustments in any position(s) under 2.03 of this Section (Section A), except that progression adjustments received in a project appointment will not count towards the progression adjustment eligibility for a permanent position or another project position.~~

(dc) An employee who has previously received the maximum number of possible progression adjustments ~~for the employee's in the same classification, taking into account progression adjustments received while in any position(s) under this or any similar progression adjustment system. For the purpose of this eligibility, "any similar progression adjustment system" shall be defined as any progression system that provides one or two-time annual per hour rate adjustments (i.e., not providing specific pay rates, except for a maximum adjustment rate) except that progression adjustments received while in a project appointment will not count toward the progression adjustment eligibility for a permanent position or another project position.~~

Adjustment of seniority for the aforementioned reasons may be waived at the discretion of the appointing authority.

2.04 Excise Tax Agents, Special Agents and Criminal Analysts Progression

Employees must be notified of unsatisfactory performance in writing. The written notification must include:

- (a) Details of each occurrence of unsatisfactory performance.
- (b) Identification of goals and expectations stated in terms that are measurable and which specify how expectations are to be accomplished.

Employees who have received an unsatisfactory performance evaluation will receive a new performance evaluation within six (6) months, or prior to the next scheduled progression adjustment, whichever is sooner.

Upon satisfactory completion of the goals and expectations, the supervisor will, prior to the next scheduled progression adjustment, provide the employee with written notice of satisfactory performance. The employee will receive the next scheduled adjustment in accordance with (3) below.

- (2) **Effective Date.**

Semi-automatic progression adjustments for eligible employees will be awarded at one (1) year intervals based on the anniversary date of the start date in the class series. The time in class series anniversary date will be adjusted for absence from employment of more than one hundred and seventy four (174) work hours in a six (6) month period, approved leaves of absence, layoff, and resignation. Adjustment of the anniversary date for the aforementioned reasons may be waived at the sole discretion of the appointing authority.

Semi-automatic progression adjustments will be effective on the first day of the pay period following the employee attaining the next progression interval. If the employee attains the next progression interval on the first day of a pay period, the semi-automatic progression adjustment will be effective on that date.

- (2) **Compensatory time.** Paid time off the job which is earned and accrued by an employee in lieu of immediate cash payment for overtime. See Chapter 520 of the Wisconsin Human Resources Handbook.
- (3) **Exempt.** Exempt from the overtime provisions of the Fair Labor Standards Act (FLSA).
- (4) **Night hours.** Work hours between the hours of 6:00 p.m. and 6:00 a.m.

- (6) **Nonstandard work period.** A regularly recurring period of 336 hours in the form of 14 consecutive 24-hour periods which begins on a day of the week and time established by the appointing authority. - (7) **Overtime hours.** For employees assigned a standard workweek, work hours in excess of 40 in a standard workweek. For employees assigned a nonstandard work period except in the area of fire/crash rescue, work hours in excess of 80 hours in a nonstandard work period. Each position is considered

separately in determining the number of work hours for employees occupying more than one position. (This definition applies only to employees who are exempt from the overtime provisions of the FLSA. Refer to Chapter 520 of the Wisconsin Human Resources Handbook for the definition of overtime as provided by the FLSA for nonexempt employees.)

- (8) **Premium rate.** The straight rate plus .5 times the regular rate paid the employee.
- (9) **Regular rate.** The average hourly rate actually paid the employee as straight time pay for all hours worked in the workweek or work period, including all remuneration for employment paid to, or on behalf of, the employee, except any payments specifically excluded from the calculation of the regular rate under the FLSA and related federal regulations.

- (13) **Weekend hours.** Work hours on Saturday and Sunday.
- (14) **Work hours.** Work time as directed by the appointing authority during which an employee must be on duty and at a prescribed place of work. In determining overtime hours for nonexempt employees, work hours means hours worked as defined in Chapter 520 of the Wisconsin Human Resources Handbook.

4.02 General Policy

- (1) **Usage.** Overtime and supplemental pay is to be held to a minimum consistent with the needs of the service. It is the responsibility of each agency to utilize other available alternatives before assigning employees to work hours that will require such pay.
- (2) **Records.** All cash overtime and supplemental pay will be separately recorded on payroll and will cease to be payable when no longer applicable.
- (3) **Application for Absences, Termination, or Cashing Annual Leave.**

Overtime or supplemental pay that is a base-building amount which is not automatically provided for all hours in work status or that is a lump sum payment, will not be paid to an employee absent or on leave with pay

(vacation, sick leave, military leave, etc.) during the period in which the employee would otherwise be scheduled to work, or be included in computing lump sum payments for leave credit balances upon termination. **No overtime or supplemental pay** will be included for computing cash payments for employees selecting the cash option for annual leave (reference s. ER 18.02(5)(b)3., Wis. Adm. Code).

- (4) **Salaried Employees.** Employees who meet the duty and discretion test for exemption from the overtime provisions of the FLSA as professional, administrative, or executive employees must be paid on a "salary basis" as defined in the federal regulations and explained in Chapter 520 of the Wisconsin Human Resources Handbook. NOTE: Refer to 4.20 of this Section (Section A) for overtime and supplemental pay for project employees; Section B, 3.07 of this Plan for overtime and supplemental pay for unclassified employees; and Section D, 4.00 of this Plan for overtime and supplemental pay provisions for limited term employees (LTEs).

4.03 Overtime for Permanent Employees

Employees are categorized as exempt or nonexempt in accordance with FLSA. Refer to the most current "Alphabetical Listing of Classifications" for the normal categorization of employees by "class title." Unless an exception applies, for purposes of this Section (Section A), employees in titles designated as exempt (E) will be treated as exempt and employees in titles designated as nonexempt (N) or mixed (M) will be treated as nonexempt. Refer to Chapter 520 of the Wisconsin Human Resources Handbook for an explanation of exempt and nonexempt status under the FLSA, and for information on exceptions to the normal FLSA categorization of employees by classification title.

- (1) **Overtime for Nonexempt Employees.** Overtime pay for employees who are nonexempt from the overtime provisions of the FLSA will be paid for work hours in accordance with those provisions and related federal regulations, except Fire/Crash Rescue Specialists will be paid overtime at the premium rate only after they exceed 106 hours of work hours in a biweekly pay period. Categorizing employees as exempt or nonexempt will be in accordance with the FLSA. In general, categorization is based on each employee's employment situation with an agency, regardless of the number of positions occupied by the employee in the agency. For employees functioning in an executive, administrative, or professional capacity, categorization cannot be based on the functions performed for the agency in any single workweek or work period. Temporary assignments of short duration will not normally affect the exempt or nonexempt status of employees. Refer to Chapter 520 of the Wisconsin Human Resources Handbook for specific information on the

overtime provisions and record keeping requirements for nonexempt employees under the FLSA.

(2) **Overtime for Exempt Employees.**

- (a) The overtime pay status of permanent employees who are exempt from the overtime provisions of the FLSA will be determined in accordance with the following table. The table shows the overtime pay status of employee groups broken down by Data Processing (DP) Unit Code that may be paid up to 1-1/2 times the number of overtime hours in cash or compensatory time. For all other DP codes, overtime may be paid up to the straight rate in cash or compensatory hours.

(b) Provisions for Permanent Salaried Employees.

1. General Policy Regarding Payment for Overtime Worked by Salaried Employees.

The salaries paid to employees included in the Overtime Pay Status Table are generally intended to compensate for the total responsibilities of the position regardless of the number of hours worked. However, circumstances may exist where time off or cash payment for overtime hours is appropriate. Time off or cash payment authorized may be granted to exempt employees at the discretion of the appointing authority except where additional compensation is required. (See Limited Circumstances When

Supervisors Must Receive Overtime Compensation, 4.03(2)(b)2. of this Section.)

The following factors will be used by agencies as a basis to establish practices for additional compensation for overtime hours:

- a. The number of additional hours of scheduled work required by the employer on a frequent and recurring basis (i.e., if only a few overtime hours are worked on an occasional basis, additional compensation should not normally be granted).
- b. The standards or expectations of the occupational area (i.e., in some occupations it is customary to work overtime hours without additional payment).
- c. The status of additional compensation for overtime hours paid to subordinates or comparable employees (i.e., the employee is supervising staff earning additional compensation for overtime hours, or the employee is working under similar conditions with employees comparable to employees in the category who are earning additional compensation for overtime hours).

2. Limited Circumstances When Supervisors Must Receive Overtime Compensation.

If **all** of the following conditions apply to a supervisor included in the 'Overtime Pay Status Table for Exempt Employees' (see previous page), the supervisor must be paid overtime compensation in accordance with 3. below:

- a. The supervisor's position is assigned to pay range 81-04 or a counterpart pay range in a different schedule or lower; or, the supervisor's position is allocated to one of the following classifications: Engineering Specialist Supervisor or Engineering Specialist-Transportation Supervisor;
- b. The supervisor is directed to work hours in addition to his/her normal work hours and such additional work hours result in overtime hours;
- c. The purpose of the additional work hours is to supervise employees who also are directed to work additional hours;
- d. The additional work hours of the employees supervised generate overtime compensation for that workweek or work period; and

- e. The additional work hours of both the supervisor and employees supervised are generated by the same cause or situation.
3. Calculating Overtime Compensation When Supervisors Must Receive Overtime Compensation Under the Limited Circumstances Set Forth in 2., above.
- a. Employees in professional supervisory (DP Unit Code 17) and professional confidential/supervisory (DP Unit Code 98) positions will be compensated on an hour-for-hour basis at no less than their regular rate of compensation in cash or equivalent time off.
 - b. Employees in nonprofessional supervisory (DP Unit Code 16) and nonprofessional confidential/supervisory (DP Unit Code 96) positions will be compensated at the premium rate or granted time off at the number of overtime hours multiplied by 1.5.
- (3) General Administrative Provisions.
- (a) Appointing authorities will have discretion to approve scheduled use of time off earned in lieu of cash payment for overtime hours.
 - (b) Time off earned in lieu of cash payment for overtime hours which cannot be scheduled by the appointing authority within 12 months after the end of the calendar year in which the time is earned will be paid in cash at the employee's current regular rate times the unused time off hours earned.
 - (c) Payment of overtime will be in addition to the premium rate paid for holiday work incurred during the established workweek or work period.

4.04 Overtime During a Declared Emergency

During a declared emergency under ss. 20.922(2) and 20.901(1)(b), Wis. Stats., employees who are not required to respond to declared emergencies as part of their broader job responsibilities may be temporarily assigned to perform duties which are not normally performed or which are not described in the employee's position description. When such assignments result in overtime hours which are directly attributable to the declared emergency, the employee will receive the premium rate or will be credited with compensatory time off at the rate of 1.5 hours for each overtime hour worked. For more information, refer to Chapter 520 of the Wisconsin Human Resources Handbook.

INTRODUCTION

This Section (Section B) contains provisions governing the pay of all elected officials and certain unclassified civil service employees. For appointed indefinite-term unclassified employees, this includes many of the same types of provisions contained in Section A and/or Section J for classified employees (General Wage Adjustment (GWA); Discretionary Merit Compensation (DMC); Supplemental Pay and Overtime Compensation). In addition, certain types of pay provisions analogous to those for classified employees (e.g., pay increases analogous to regrade upon reallocation and reclassification) are contained in Sections E and I of this Plan for certain appointed indefinite-term unclassified employees.

In accordance with s. 230.12(1)(a)1.b., Wis. Stats., the pay of all unclassified civil service employees is governed by the pay provisions of the Compensation Plan, except for the following:

Compensation provisions for unclassified civil service employees covered by this Plan who would be Limited Term Employees (LTEs) if their employment were in the classified service are contained in Section D.

For the State Superintendent of Public Instruction a new term of office began on ~~July 6, 2009~~ July 1, 2013 (i.e., the first Monday in July after election). For all other Constitutional Officers listed below, the current term of office began on ~~January 3, 2011~~ January 5, 2015 (i.e., the first Monday in January after election).

NOTE: The legislative branch includes the legislature and legislative service agencies under subch. IV of Chapter 13, Wis. Stats. 3.02 Pay on Appointment

- (1) The rate payable upon appointment to any unclassified civil service position identified in 3.01(1) ("ESG" position) of this Section (Section B) will be set by the appointing authority at a rate that most adequately reflects both the individual's qualifications and the economic and employment conditions prevailing at the time of appointment subject to the following restraints:

Section B – 3.02

- (a) For positions identified under s. 20.923(4), Wis. Stats., the rate must be within the range of the appropriate ESG. (See 3.04 for special provisions regarding fixed-term positions under s. 20.923(4), Wis. Stats.)

- (a) For positions identified under s. 20.923(7), Wis. Stats., the rate must be within the range of the appropriate GSEG.

Thus, the rate upon appointment should be equal to the rate that would be payable upon appointment to a similar position in the classified service, as determined by the appointing authority. In addition, the rate will not exceed the pay rate or range maximum under 3.03(3).

NOTE: Certain appointments are also subject to s. 230.148, Wis. Stats., regarding re-appointments in the unclassified service, and s. 230.33(3), Wis. Stats., regarding appointments to positions in the unclassified service from positions in the classified service.

 - (b) The position occupied is not assigned to an ESG under s. 20.923, Wis. Stats., and the OSER Director finds that, if the position were assigned to an ESG under s. 20.923, Wis. Stats., or assigned to a classification in the classified service, reassignment of the position to a higher ESG or higher classification would be justified; or

6.00 Alphabetical List of Class Titles, Codes and Maximum Pay Rates for the Limited Term Employment Pay Schedule 18

INTRODUCTION

This Section (Section D) governs the pay of limited term employees (LTEs) in the classified and unclassified service. Provisions contained in this Section (Section D) include beginning base pay rates, base pay rate adjustments, overtime, supplemental pay, and health insurance and retirement contributions for eligible participating LTEs. The alphabetical listing of LTE class titles and maximum (Not To Exceed – “NTE”) pay rates for limited term employment pay schedule 18 is also included.

Section D – 1.00

1.00 Coverage

The provisions of this Section (Section D) govern the compensation of all LTEs in the classified service and, pursuant to s. 230.12(1)(a)1.b., Wis. Stats., employees with comparable status in the unclassified service. LTEs are employed in positions in either the classified or unclassified service that meet the respective definition under 1.01 or 1.02 below.

1.01 Classified Service

An LTE appointment is employment in the classified service in which the nature and conditions do not permit attainment of permanent status in class, for which the use of normal procedures for recruitment and examination are not practicable, and is not project employment.

1.02 Unclassified Service

An LTE appointment is employment in the unclassified service in which the employee would have been considered an LTE, had employment been in the classified service.

See also s. 230.26, Wis. Stats., and Chapter ER 10, Wis. Adm. Code.

2.00 Beginning Base Pay Rates for Limited Term Appointments

LTEs must be paid at least the state or federal minimum wage, whichever is greater, unless a lower wage is authorized pursuant to Section 14 of the Fair Labor Standards Act. In addition, the following provisions apply:

2.01 Limited Term Appointments in the Classified Service

- (1) LTE appointments to positions allocated to LTE class titles in pay schedule 18.
 - (a) Base pay rates shall not exceed the limits specified in the chart found in 6.00 of this Section (Section D) for the LTE class title. In those cases where no specific rate is listed, base pay rates, generally, shall not exceed the rate paid for similar types of services provided on a permanent basis.
 - (b) The listed "Not to Exceed" rates shall not be considered the appropriate rate of pay for all appointments to a particular LTE class. Rates for appointments may be set by the appointing authority at up to the rate indicated in the chart found in 6.00 of this Section (Section D), based on the nature of the work to be performed and the prevailing pay practices where the positions are located.

- (c) For classes where the pay limitation is identified as a “prevailing rate” or “usual and customary fee,” the limitation will be set by OSER and documentation should be retained by the appointing authority as to how the specific amount was determined for each appointee.

- (2) LTE appointments to positions allocated to classifications used for permanent positions.
 - (a) When the work to be performed by an LTE is not identified by an LTE class title listed in pay schedule 18, the most appropriate classification to which permanent positions are assigned should be used for the LTE position.

 - (b) LTEs are eligible to be paid up to the minimum of the pay range for the applicable classification to which permanent positions are assigned except that:
 - 1. The base pay rate shall be below the applicable pay range minimum if the employee is designated as a "trainee" for one or more of the following reasons.
 - a. The LTE employment involves either formal or informal training beyond that normally provided to a newly appointed worker.

 - b. The knowledge, skills and/or abilities of the employee are lower than those normally required of an employee in the classification.

 - c. The duties and responsibilities assigned to the LTE are fewer and/or less complex than those normally assigned to a permanent employee in the same classification and there is no lower level permanent classification that is applicable.

NOTE: It is not necessary to formally designate an LTE position as "trainee" to be able to pay below the minimum of the pay range. However, appointing authorities should apply consistent pay standards when determining the pay for incumbents of LTE positions deemed to be "trainee" in nature.

- 2. Under certain limited circumstances, the base pay rate may be above the pay range minimum of the applicable permanent classification. If any of the following conditions are met, the appointing authority has the discretion to establish a base pay rate above the pay range minimum.

- a. Hiring Above the Minimum (HAM) authority has been approved by OSER for the LTE position or on a continuing basis for positions in the applicable permanent classification.
 - b. The LTE is a former classified permanent employee with reinstatement eligibility or restoration rights to the applicable permanent classification and the duties of the LTE position are related to those of the previous permanent position(s). If so, the allowable maximum base pay rate is determined in accordance with the reinstatement/restoration provisions of the pay administration in Section E or Section I, 4.07 and 4.08 of this Plan, whichever is applicable.
 - c. The LTE is also a current classified permanent employee; the duties and responsibilities of the LTE position are related to those of the permanent position; and the base pay rate is not higher than the employee's permanent rate of pay. However, the base pay rate may not exceed the maximum of the pay range for the counterpart permanent class of the LTE position.
 - d. A raised minimum rate (RMR) is in effect for positions in the applicable permanent classification and the LTE is performing at the same level as a permanent classified employee (i.e., not in a "trainee" status).
 - e. The LTE position is allocated to a classification in a broadband pay schedule. The pay on appointment flexibility for starting an employee (Section I, 4.04(2) of this Plan) at not more than the applicable appointment maximum may be used.
- (c) LTEs in craftworker related positions shall be paid no more than the applicable ~~gross prevailing rate~~ Maximum LTE Rate provided in the OSER Building Trades Adjusted Hourly Rate Booklet. This Maximum LTE Rate will be adjusted on the same date and by the same percentage as represented rate adjustments in the Booklet. Those who are determined to be Wisconsin Retirement System eligible may be paid no more than 93% of the applicable ~~gross prevailing rate~~ Maximum LTE Rate.

2.02 Limited Term Appointments in the Unclassified Service

The rate upon appointment should be equal to the rate which would be payable upon appointment to a similar position in the classified service, as determined by the appointing authority.

2.03 Incentive and Retention Award Pilot Program for Seasonal Limited Term Appointments

Subject to conditions established by the OSER Director, an appointing authority may provide an Incentive and Retention Award not to exceed \$500.00 for critical **seasonal** LTE appointments. Prior to granting any awards under this pilot project, the agency must provide a written plan to the OSER Director outlining the reason(s) for the awards and the criteria under which they will be granted.

3.00 Base Pay Adjustments for LTEs

3.01 If Paid Below the Maximum Rate for an LTE Class Title

- (1) An LTE who is paid below the maximum rate indicated for the LTE class title listed in pay schedule 18 may have his or her base pay rate adjusted, by the appointing authority during the fiscal year, to a rate not to exceed the maximum indicated rate.
- (2) For increases granted to LTEs in class titles for which a "usual and customary fee" limit applies, documentation should be retained by the appointing authority as to the basis for such increases. (For example, an increase in the usual and customary fee for the occupation, initial pay set at below the usual and customary fee, etc.)

3.02 If Pay Range of Permanent Classification is Reassigned

An LTE in a position allocated to a classification also used for permanent positions who is eligible to be paid at the minimum of the pay range may have their base pay rates adjusted to a rate not exceeding the new minimum of the pay range if the classification is reassigned to a different pay range, if the pay range minimum is adjusted, or if a raised minimum rate is in effect for the classification.

3.03 If Paid Below the Minimum of the Pay Range for a Permanent Class Title

An LTE in a position allocated to a classification used for permanent positions who is paid below the pay range minimum, but who is eligible to be paid up to the minimum, may have his or her base pay rate adjusted up to the pay range minimum of the classification.

3.04 Ineligibility for Regrade Increases

An LTE is not eligible to receive an increase as a result of a regrade (i.e., LTE positions are not reclassified).

3.05 Eligibility for Other Base Pay Adjustments or Lump Sum Payments

An LTE is not eligible for any type of increase except:

- (1) The increases stated in 3.01 through 3.03 of this Section (Section D);
- (2) An LTE hired under 2.01(2)(b)2.b. of this Section (Section D) may have his or her base pay rate adjusted by the General Wage Adjustment (GWA) shown in Section A, 2.01(3) of this Plan on the effective date of the GWA, subject to the applicable pay range maximum; and
- (3) An LTE hired under 2.01(2)(b)2.c. of this Section (Section D) may have his or her base pay rate adjusted by the GWA shown in Section A, 2.01(3) of this Plan on the effective date of the GWA, not to exceed the employee's permanent rate of pay and subject to the applicable pay range maximum.

4.00 Overtime, Supplemental, and Holiday Pay

4.01 Overtime Pay for LTEs with Nonexempt Status

Overtime pay for LTEs who are nonexempt from the overtime provisions of the FLSA shall be in accordance with the provisions of the FLSA and related federal regulations. See Chapter 520 of the Wisconsin Human Resources Handbook for an explanation of these provisions.

4.02 Overtime Pay for LTEs with Exempt Status

LTEs who are exempt from the overtime provisions of the FLSA (e.g., attorneys, physicians, dentists, and teachers) must receive the straight rate for all overtime work hours unless the work performed is in an occupational area where it is customary to work overtime hours without additional payment. If LTEs work overtime hours without additional payment, agencies must maintain records to document that such appointments are for less than a total of 1044 actual work hours per year pursuant to s. 230.26, Wis. Stats.

4.03 Payment Only for Hours Worked

Pursuant to Chapter ER 10, Wis. Adm. Code, LTEs must be paid only for actual hours worked, except when necessary to vote during scheduled work hours. Pursuant to s. 7.33, Wis. Stats., LTEs must be given paid time off for scheduled work hours during the entire 24-hour period of each election day if required to work as election officials on that date. LTEs cannot be granted compensatory time off as payment for overtime or holiday work hours.

5.00 Nonresident LTEs

Appointments of LTEs will be made in accordance with s. 230.26, Wis. Stats., and ch. ER-MRS 10, Wis. Admin. Code, except that the appointment of a person who is not a resident of the State may be made with the approval of the Division of Merit Recruitment and Selection Administrator.

INTRODUCTION

The provisions of this Section (Section E) apply to all classified project employees and permanent employees whose positions are **not** allocated to classifications assigned to broadband pay schedules, except public safety collective bargaining provisions, if applicable.

Section E – Introduction

Pay administration provisions for permanent and project employees whose positions are allocated to classifications assigned to broadband pay schedules are contained in Section I of this Plan. Provisions for determining beginning base pay rates for non-broadbanded unclassified employees and limited term employees (LTEs) are contained in Sections B and D, respectively. The beginning rate provisions in Sections B and D apply only to employees covered by those respective Sections and have been included with other compensation provisions that are unique to unclassified employees and LTEs.

NOTE: The provisions in this Section (Section E) supersede ch. ER 29, Wis. Adm. Code, for all project appointments in non-broadband pay schedules.

1.00 Beginning Pay Upon Original Appointment For Permanent Classified Employees in Non-Broadband Pay Schedules

Upon original appointment as a permanent employee in the classified service beginning base pay rates shall be determined as follows:

1.01 General

The starting base pay rate upon original appointment shall be the minimum of the pay range for the classification except as otherwise provided in this Section (Section E) or other sections of this Plan.

NOTE: For provisions governing the pay upon original appointment for permanent employees in positions allocated to classifications assigned to the broadband pay schedules, refer to Section I, 4.04 of this Plan.

1.02 Raised Minimum Rate (RMR)

- (1) When competitive labor market conditions have been evaluated and the minimum rate is determined to be below the market rate for a classification or subtitle for a classification, or when a classification or subtitle for a classification has unique requirements and it is unlikely that quality applicants would be available under such conditions, the OSER Director, at the request of the appointing authority, may establish a raised minimum rate above the pay range minimum for recruiting, hiring and retaining employees. Such rates may be established on a geographic basis.
- (2) The raised minimum rate shall be the lowest rate payable to any permanent or project employee whose position is assigned to the classification or classification and subtitle in the geographic area where the raised hiring minimum is in effect.

NOTE: Refer to Chapter 560 of the Wisconsin Human Resources Handbook entitled "Raised Minimum Rates" for additional information.

1.03 Hiring Above the Minimum (HAM)

- (1) The OSER Director may authorize HAM for permanent and project employees whose positions are allocated to classifications assigned to non-broadband pay schedules when either:
 - (a) The duties and responsibilities of a position require the employment of a person with qualifications that differ significantly from those normally required for other positions in the same classification, and the persons who possess such qualifications are not readily available in the labor market at the minimum rate in the pay range; or
 - (b) A recruitment effort has failed to produce or would likely not produce a full certification of candidates.
- (2) HAM must be authorized prior to formal recruitment and the increased pay potential must be included in all recruitment information where pay is stated.
- (3) Only those candidates who possess qualifications which significantly exceed the requirements for the classification or subtitle or who possess qualifications which differ significantly from those normally required for other positions in the same classification may be hired above the minimum of the pay range.
- (4) Project positions allocated to represented classifications may be filled using HAM even though use of HAM would not be allowed if the position were permanent.

NOTE: Refer to Chapter 508 of the Wisconsin Human Resources Handbook entitled "Hiring Above the Minimum" for additional information.

1.04 Trainee Minimum Rate

- (1) Except as indicated in (5) below, minimum starting pay rate for trainees will be established at one within-range pay step below the minimum of the pay range for the objective classification for each six (6) months of formal and/or "on-the-job" training required to reach the objective classification. If the OSER Director, at the request of the appointing authority, reviews the qualifications of the person to be appointed and determines that the qualifications are equivalent to specific segments of the training program, such segments may be waived and considered as completed. The rate payable on appointment may then exceed the minimum rate established for the training program and shall be based on the length of time required to complete the remaining segments of the training program.

- (2) Incremental pay increases up to the pay range minimum of the objective classification shall be provided for successful completion of each segment of training as provided in the training plan for each trainee position.
- (3) Scheduled trainee pay increases shall be increased by the same percent, and at the same time as the adjustment to the pay range minimum.
- (4) In pay schedules where no within-range pay step is defined, the step used for trainee pay purposes shall be three percent (3.0%) of the minimum for the objective classification for which the employee is being trained.
- (5) A current employee's base pay rate will be determined in accordance with provisions applicable to the transaction type involved.

2.00 Beginning Pay Rates for Project Appointees in Non-Broadband Pay Schedules

2.01 Project Appointees Who Are Former Permanent Classified or Unclassified Employees

- (1) Subject to the maximum of the new pay range, project appointees who have previously been permanent classified employees, and who could have been appointed to a permanent position without an interruption of continuous service under s. ER 18.02(2), Wis. Adm. Code, may be appointed to a project position assigned to a higher classification than their previous permanent classified position, and may be paid at up to their previous rate of pay if higher than the pay range minimum of the classification for the project appointment.
- (2) Project appointees who have previously been permanent classified employees, and who could have been appointed to a permanent position without an interruption of continuous service under ER 18.02(2), Wis. Adm. Code, may be appointed to a project position assigned to the same, a counterpart, or a lower classification than their previous permanent classified position, and may be paid at a rate of pay determined in accordance with the provisions regarding pay on reinstatement as contained in this Section (Section E).
- (3) Subject to the maximum of the new pay range, project appointees who are appointed directly from a permanent classified or unclassified position without an interruption in employment status, or who receive a classified leave of absence for the project position, may be paid at up to their previous rate of pay if higher than the pay range minimum of the classification for the project position.

NOTE: Refer to Chapter ER 34 of the Wisconsin Administrative Code for additional employment information regarding project employees.

2.02 Other Project Appointees

- (1) Except as provided in 2.01, beginning base pay rates shall be determined in accordance with 1.00 above.
- (2) On subsequent project appointment to a different position, the pay rate attained as a result of a project appointment shall not serve as the basis for the establishment of subsequent pay rates on appointment to any other position. However, experience acquired may be relevant for subsequent appointments made in accordance with HAM provisions of 1.03 above.

NOTE: Refer to Section A, 4.20, of this Plan for the provisions regarding supplemental pay and overtime provisions for project employees.

3.00 Other Transaction Pay Adjustments for Project Employees in Non-Broadband Pay Schedules

3.01 Pay on Completion of the First Six Months of a Project Appointment

No six month increase will be granted to any project employee upon completion of the first six months of a project appointment.

3.02 Multiple Pay Adjustments on Same Date (Order of Application)

Multiple pay adjustments that are effective on the same date will be applied in the order given in Section I, 4.01 of this Plan.

3.03 Pay on Regrade for Reclassification or Reallocation to a Classification in a Higher Pay Range.

Pay on regrade for reclassification or reallocation to a classification in a higher pay range for project appointees will be in accordance with Section I, 4.09 of this Plan.

3.04 Pay on Regrade for Reclassification or Reallocation to a Classification in the Same or Counterpart Pay Range.

Project employees shall receive no pay adjustment for reclassification or reallocation to a classification in the same or counterpart pay range.

3.05 Pay on Regrade for Reclassification or Reallocation to a Classification in a Lower Pay Range.

Pay on regrade for reclassification or reallocation to a classification in a lower pay range for project appointees will be in accordance with Section I, 4.11(1) of this Plan.

4.00 Other Transaction Pay Adjustments for Permanent Employees in Non-Broadband Pay Ranges

Schedule 02, 03, 05, 06, 12, and 36 pay adjustments for permanent employees in non-broadband pay ranges will be in accordance with ch. ER 29, Wis. Admin. Code, except as provided in Section A, 2.13 and as follows:

- (1) Except as noted in (57) below, pay of regraded employees whose positions are reallocated or reclassified to a higher classification shall be determined in accordance with s. ER 29.03(3)(c), Wis. Admin. Code, except that in lieu of any one-step increase amounts regraded employees will receive an amount equal to eight percent (8%) of the applicable pay range minimum or the pay range minimum, whichever is greater. If the reallocation or reclassification is to a classification that is more than one pay range above that of the previous classification, or from range 05-31 to 05-32, the appointing authority **may** provide an additional pay adjustment under this section allowing for a total pay adjustment of no more than 12% of the new pay range minimum or to the minimum of the pay range, whichever is greater. For reallocations that do not solely involve a change in duties, such as pay range reassignments, title changes, or as a result of a survey, the increase provided above **may** be provided at the discretion of the OSER Director.
- (2) Except as noted in (6) and (7) below, pay on promotion will be determined in accordance with s. ER 29.03(4), Wis. Admin. Code, except that in lieu of the increase amounts provided pursuant to s. ER 29.03(4)(b), Wis. Admin. Code, employees will receive an amount equal to eight percent (8.0%) of the applicable pay range minimum or the minimum of the pay range, whichever is greater. If the promotion is to a classification that is more than one pay range above that of the previous classification, or from range 05-31 to 05-32, the appointing authority **may** provide an additional pay adjustment under this section allowing for a total pay adjustment of no more than 12% of the new pay range minimum or to the minimum of the pay range, whichever is greater.
- (3) No six (6) month increases shall be granted to employees upon completion of the first six (6) months of any probationary period.
- (4) For all pay adjustments, all references to “PSICM” in ch. ER 29, Wis. Admin. Code, will be changed to “minimum.”

~~(5) — Pay for regraded employees due to reclassification or reallocation to Offender Classification Specialist Senior, Probation and Parole Agent Senior, and Social Worker Corrections Senior will be in accordance with the pay structures provided in Section Z of this Plan if the employee was in an Offender Classification Specialist, Probation and Parole Agent, or Social Worker Corrections position on June 30, 2013. Those hired into the series after June 30, 2013 will receive regrade pay in accordance with (1) above.~~

~~(6)~~**(5) Temporary Transaction Rate (TTR):** TTRs will no longer be provided, but TTRs received under the provisions in effect prior to implementation of this Plan will continue if the employee is subsequently covered by the provisions of this section and the employee's base pay rate is over the maximum of the applicable pay range and any existing TTRs will expire July 12, 2015, making this provision obsolete. For any employees who currently have a TTR, effective July 12, 2015, the employee's base pay rate will be the TTR rate or the maximum of the applicable pay range, whichever is less.

~~Effective the first day of the pay period following the expiration date of the TTR (i.e., after two years from the implementation date of the TTR), or the date the employee leaves a position covered by 4.00 of this Section (Section E), the employee's base pay rate will be the TTR rate or the maximum of the applicable pay range, whichever is less. If the date of expiration or termination is the first day of the pay period, that date will be the effective date. If not over the maximum, the employee's base pay rate will be the TTR rate.~~

~~The TTR shall be considered expired if a subsequent transaction will result in a higher pay rate. The new base pay rate will be calculated using the TTR rate or the maximum of the old pay range, whichever is less, as the current rate of pay immediately prior to the transaction.~~

~~(7)~~**(6)** Effective February 9, 2014, promotions Promotions from pay range 05-31 to 05-32 will be calculated in accordance with (2) above, except an additional pay adjustment may be provided at the sole discretion of the appointing authority allowing for a total pay adjustment of no more than 16% of the new pay range minimum or to the minimum of the pay range, whichever is greater.

(7) Pay increases for employees classified as Fire/Crash Rescue Specialist or Fire/Crash Rescue Specialist – Crew Chief are subject to the following maximums. These maximums are based on the federally-funded pay rates allowed for the duties performed. If the maximums are increased prior to June 11, 2017, pay increases occurring after the effective date of the new maximums will be subject to the new maximums.

<u>Classification</u>	<u>Maximum</u>
<u>Fire/Crash Rescue Specialist</u>	<u>\$15.00/hr.</u>
<u>Fire/Crash Rescue Specialist – Crew Chief</u>	<u>\$17.88/hr.</u>

INTRODUCTION

In accordance with s. 20.916(8), Wis. Stats., the OSER Director, with the approval of the Joint Committee on Employment Relations (JCOER), establishes the uniform travel schedule amounts (UTSAs). These amounts include automobile, motorcycle, and personal airplane mileage reimbursement rates; portage tips; moving expenses; temporary lodging allowances; and meal and lodging rates. The approved travel schedule amounts are incorporated into the compensation plan under s. 230.12(1), Wis. Stats., and apply to all employees whose compensation is established under ss. 20.923 or 230.12, Wis. Stats., (i.e., all classified employees, except those in the public safety bargaining unit, and unclassified civil service employees, including legislators, judges, and board members), unless excluded by statute. The provisions of this Section (Section F) become effective on the first day of the month following approval by the Joint Committee on Employment Relations (JCOER), but no sooner than the effective date of this Plan, and remain in effect until the first day of the month following modification by JCOER. The Department of Administration (DOA) has responsibility to ensure that travel claims are audited for compliance with the provisions of these travel schedule amounts. Under s. 16.53(12)(c), Wis. Stats., DOA may not approve for payment any travel vouchers which exceed the maximum travel schedule amounts established under s. 20.916(8), Wis. Stats., except in unusual circumstances when accompanied by a receipt and full explanation of the reasonableness of such expense and approved by the appointing authority or designee.

Provisions in the labor agreement for public safety employees that apply to travel and lodging expenses supersede the analogous provisions under these travel schedule amounts.

Employees in travel status are expected to exercise good judgment when incurring travel costs. An employee shall be reimbursed for reasonable and necessary travel expenses actually incurred in the performance of official duties in accordance with the travel schedule amounts and provisions herein.

Employees are encouraged to plan all travel with the principles of fiscal austerity and energy conservation in mind and to make maximum use of telephone, facsimile machines, postal service, e-mail, teleconferencing, Web-Casts and other technical applications as a way to minimize the need to travel.

Section F – Introduction

These uniform travel schedule amounts apply to travel within the United States. Expenses incurred for approved travel outside this area will be subject to the schedule amounts where appropriate (e.g., air transportation to be the lowest appropriate airfare), but handled on a case-by-case basis when travel-related costs vary from country to country. For such out-of-country travel, the federal Outside the Continental United States (OCONUS) Per Diem rates shall be used. Reimbursement for out-of-country travel shall be based on actual, reasonable and necessary expenses incurred with the per diem rates used to determine the maximum allowable reimbursement for both meals and lodging. These rates do not include incidental expenses such as laundry and taxis.

1.00 Definitions

1.01 Airline Receipt: An airline receipt is the original “Passenger Receipt” plus any applicable original travel agency invoice/itinerary evidencing service fee amounts. If these are not available, a reasonable copy or computer print-out (such as an Internet/e-mail confirmation) along with proof of payment, such as a credit card statement or cancelled check, will be acceptable. Credit card charge statements and/or slips alone are not acceptable as documentation because these lack sufficient detail.

1.02 Employee: Any classified or unclassified officer, or employee of the state, including any legislator, judge, board member, permanent, project, or limited term employee, etc., who is entitled to actual, reasonable and necessary expenses. See ss. 16.53(12)(a)2. and 20.916(9)(a)1., Wis. Stats.

1.03 Headquarters: The physical location of the employee’s permanent work site.

1.04 Headquarters City: The area within the city, town or village limits where an employee's permanent work site is located and the area within a radius of 15 miles (based on odometer mileage) from the employee's permanent work site. The appointing authority or designee shall determine the employee's permanent work site in the best interest of the state. See s. 20.916(9)(a)2., Wis. Stats.

1.05 Lowest Appropriate Airfare: Coach fare which provides for not more than a two hour window from the traveler's preferred departure or arrival time, may require one plane transfer without regard to carrier, aircraft, and connecting airport and departs from the airport nearest to the employee’s headquarters location or, at the discretion of the employee, from an airport offering a fare which is more cost effective, including parking, mileage, and/or additional overnight stays.

1.06 Non-Airline Receipt: A non-airline receipt is the original statement document from the supplier, preferably one that clearly evidences the form of payment, date of purchase, name of supplier, and type of purchase. In the case of lodging, detailed itemization of the expenses is required. If the original receipt is not available, a reasonable copy of the receipt or a computer print-out (such as an Internet/e-mail confirmation) along with proof of payment, such as credit card statement or cancelled check, will be accepted. In the case of lodging, the copy must provide a detailed itemization of expenses. Credit card charge statements and/or slips alone are not acceptable as documentation because these lack sufficient detail.

1.07 Traveler: Any person who incurs travel expenses on official state business and is entitled to authorized reimbursement for those expenses.

1.08 Travel Status: When an employee is required by his/her supervisor to leave the headquarters station to accomplish official state business and is eligible for reimbursement of actual, reasonable and necessary travel expenses in accordance with the provisions of the OSER uniform travel schedule amounts, other applicable statutes, or pursuant to the public safety collective bargaining agreement, if applicable.

1.09 Volunteer: Any officially authorized person not in employee status, who provides service to the state.

2.00 Authority for Travel

2.01 Authorization

Any official business travel by state employees must be approved in accordance with individual agency procedures as established by the appointing authority or designee.

2.02 Appropriateness

Pursuant to s. 16.53(12)(b), Wis. Stats., the appointing authority or designee shall determine that the proposed travel is appropriate and necessary to the mission, responsibilities or duties of the employee's unit.

Pursuant to s. 16.53(1)(c)7., Wis. Stats., before employees are permitted to attend out-of-state conferences, conventions, seminars, meetings or training courses, the appointing authority or designee should ensure that a clear state interest is being served.

3.00 Mode of Transportation

Pursuant to s. 20.916(4)(c), Wis. Stats., the allowance for the use of a personal automobile or motorcycle shall not exceed the lowest cost of the most practical means of public transportation between points convenient to be reached by railroad, bus or commercial airplane without unreasonable loss of time. The appointing authority or designee shall give due consideration to the circumstances in each case when determining the most practical means of public transportation. The cost of meals and lodging paid by the state and the cost of the use of a state-owned automobile not chargeable to an employee may not exceed the cost which would have been incurred had the most practical form of public transportation been used, at the most appropriate time, if a practical form of public transportation is available.

When a number of state employees are knowingly traveling to the same destination at the same time, it is their responsibility to arrange for pooled transportation where practicable. Individuals, who for personal reasons choose not to participate in pooled transportation, may be reimbursed for mileage expense when the appointing authority or designee determines that such reimbursement is appropriate.

Expenses for transportation will be reimbursed as follows:

3.01 Air Travel

NOTE: Refer to the DOA's State Procurement contracts on Travel Agency Services for additional detailed information.

- (1) Reimbursement for commercial air travel shall be limited to the lowest appropriate airfare (Reference the definition in 1.05 of this Section). The appointing authority or designee may determine a reimbursement amount other than the lowest appropriate airfare only when the traveler provides written explanation of the reasonableness of the expense.

Where a traveler is seeking reimbursement for airfare through a travel voucher, there should be sufficient documentation of the departure and return dates, itinerary, nature of official business and a receipt attached to the travel voucher (Reference the definition in 1.01 in this Section).

Where airfare is being paid directly by a state agency, the invoice and other attachments to the payment voucher should reflect the following information:

- (a) Name(s) of the traveler(s) and destinations;
- (b) Departure and return dates;
- (c) Nature of official business;
- (d) If possible, cross-reference to the number of the travel voucher containing the other trip-related expenses.

NOTE: Benefits from any airline promotion, such as free tickets for frequent fliers, merchandise, etc. that accrue as a result of official state business, belong to the State of Wisconsin and should be used whenever possible for subsequent official state business. Business use of frequent flier vouchers, vouchers for bumping, discount coupons or other instruments are not considered to have any monetary value, and therefore, employees shall not be reimbursed for using them.

- (2) Flight insurance coverage for employees is not a reimbursable expense.
- (3) Effective the effective date of this Plan, reimbursement for use of private aircraft will be made at the rate provided in 3.05(3)(b) below, if under s. 20.916(5)(a), Wis. Stats., use of a private aircraft is authorized prior to travel by an appointing authority or designee who has confirmed that the individual has the required insurance coverage
- (4) Miscellaneous Travel Supplier Fees: Fees incurred because travel arrangements were changed (such as, but not limited to, those changed by airlines) are reimbursable only when accompanied by a valid, written business reason for the change and approved by the appointing authority or designee.

3.02 Travel by Train

Pursuant to s. 20.916(9)(f)2., Wis. Stats., travel by train shall be limited to coach, if available, unless overnight where accommodations should be limited to roomette. Receipts are required for reimbursement.

3.03 Travel by Bus

Employees traveling within the headquarters city and between cities should travel by bus whenever feasible, as determined by the appointing authority or designee. Receipts are required for reimbursement of travel between cities.

3.04 Taxis and Airline Shuttles

Reasonable charges for taxis and airline shuttles, including taxi tips at a maximum rate of 15% of the charge as provided in s. 20.916(9)(d)2., Wis. Stats., are reimbursable when other modes of travel are not available or practical. However, shuttle service (usually less expensive or free) should be utilized in place of a taxi whenever possible and the employee shall be reimbursed at a rate of no more than that of the shuttle service cost if such shuttle service was available. Employees shall obtain and provide receipts whenever the cost of a one-way fare exceeds \$25.

3.05 Vehicle Transportation

- (1) Use of State Pool Vehicles
 - (a) Management shall encourage employees to use state pool vehicles whenever feasible and whenever a vehicle is required for conducting official state business unless a state-owned vehicle is already personally assigned.

- (b) When using state pool vehicles, passengers shall be limited to state employees or travelers engaged in official state business.
 - (c) Credit cards are provided with each vehicle and must be used if possible when any expenses are incurred. The only expenses in connection with state-owned vehicles which can be claimed on a travel voucher as reimbursable are:
 - 1. Storage, parking and toll charges.
 - 2. Expenses incurred where the credit cards are not accepted. Receipts showing the fleet number of the vehicle are required.
 - 3. Emergency expenditures related to operation of the vehicle. Receipts showing the fleet number of the vehicle are required.
 - (d) Personal use of a pool vehicle is not permitted.
 - (e) Traffic citations, parking tickets, locksmith calls for retrieving keys, etc., are not reimbursable.
- (2) Use of Personally-Assigned State-Owned Vehicles
- (a) Based upon an employee's job responsibilities, an employee may be assigned a state-owned vehicle.
 - (b) Pursuant to s. 20.916(7), Wis. Stats., an employee who has a personally-assigned state-owned vehicle may use the vehicle for personal use in accordance with fleet guidelines, and must reimburse the state for such use at the rate provided in (3)(b) below, plus sales tax.
 - (c) Traffic citations, parking tickets, locksmith calls for retrieving keys, etc., are not reimbursable.
- (3) Use of Privately-Owned Vehicles
- (a) Reimbursable business miles are determined as follows:
 - 1. Actual miles driven by the most direct route between an employee's headquarters and a work site removed from the assigned headquarters
 - 2. Actual miles driven by the most direct route between work sites that are removed from the assigned headquarters
 - 3. For trips that start or end at an employee's home, the lesser of actual miles driven between an employee's home and the work site removed from the assigned headquarters or the mileage between an employee's assigned headquarters and the work site.
 - 4. When management determines that an employee's vehicle is not required for travel to a work site removed from the assigned

- headquarters, the employee will be reimbursed mileage from the employee's home to an approved pickup point which is in excess of the mileage from the employee's home to the assigned headquarters.
5. Items 3.05(3)(a)1. through 3. should be used to determine reimbursable business mileage for each component of a trip when multiple stops are made during the day.
 6. Mileage from the employee's home to the assigned headquarters is not reimbursable.
 7. When an employee is “**allowed**” to telecommute, mileage from the employee’s home to what would have been the assigned headquarters if not telecommuting shall be considered commuting and not reimbursable.

- (b) An employee shall be reimbursed at the rate not to exceed two cents per mile less than the rate paid to federal employees (which is not necessarily the IRS rate) if the accumulated personal car business mileage per round trip is:
 1. Less than 100 miles. Employees may be required to secure a non-availability slip, at the discretion of the appointing authority or designee.
 2. 100 miles or more and the employee’s agency issues them a non-availability slip because the agency maintains a central pool in the headquarters city.
 3. 100 miles or more and if both the employee's agency and the DOA central fleet issue a non-availability slip because the agency’s central pool and central fleet are located in the headquarters city.
 4. Any mileage if there is no access to a fleet vehicle in the headquarters city.
 5. Any mileage if these requirements are waived on an individual basis. The agency must demonstrate to DOA that a different set of mileage standards for issuing non-availability slips would result in a more cost effective use of state vehicles.

When a change to the federal rate is realized, the OSER Director will determine the new reimbursement rate and an administratively feasible effective date of the change to the State reimbursement rate.

- (c) The non-availability slip should include the date of the request as well as the dates for which a pool vehicle is requested and must be signed by the agency dispatcher or DOA Central Fleet representative.
- (d) Except as provided in (b) above, if an employee uses his or her own automobile, the business mileage allowance shall be at a rate pursuant to s. 20.916(4)(e), Wis. Stats., except as otherwise stated in this Section (Section F).

NOTE: Employees should contact their agency fiscal officer to obtain the reimbursement rate when they do not have a non-availability slip and choose to use their personal vehicle.

- (e) Charges for repairs, tow services, lubrication, etc., are not reimbursable items. Traffic citations, parking tickets and other traffic violation expenses are the employee's responsibility.
- (f) Upon approval of the appointing authority or designee:

~~Pursuant to s. 20.916(4)(b), Wis. Stats., an additional 1 cent per mile may be paid to an employee for the use of a personal automobile on official state business when used as an emergency vehicle, or under conditions which may cause excessive wear or depreciation, such as the pulling of trailers, or which require the installation of special equipment.~~

~~2. An additional 1 cent per mile may be paid to an employee whose automobile is used for transporting 2 or more passengers (not including the driver).~~

~~3. An additional 4 cents per mile may be paid to an employee when an automobile is operated off the roadway (construction areas, etc.).~~

When a state-owned van which is specially equipped for persons with disabilities is available, the reimbursement rate shall be 61 cents per mile unless a non-availability slip has been obtained.

NOTE: Requests for exemption from the "certificate of non-availability" requirement, for medical or other reasons should be forwarded to the DOA fleet management coordinator. Requests for exemptions must be resubmitted on an annual basis. Employees who are disabled may also receive a general waiver if state-owned vehicles do not adequately meet their specific needs and a driver is not available on a regular basis. Copies of all such exemption approvals shall be kept on file in the agency pre-audit area, to avoid delays in processing the travel claim.

- (g) Employees shall be reimbursed for the use of privately-owned motorcycles on state business, in accordance with s. 20.916(4m), Wis. Stats. The rates for reimbursement shall be 28.5 cents per mile, whether a fleet vehicle is available or not, subject to the following conditions:

- (h) Pursuant to s. 20.916(4)(c), Wis. Stats., for travel between points convenient to be reached by railroad, bus or commercial airplane without reasonable loss of time, the allowance for the use of a personal automobile or motorcycle shall not exceed the lowest cost of the most practical means of public transportation between such points.

The employee's appointing authority or designee shall give due consideration to the circumstances in each case when determining the amount of reimbursement for the most practical means of public transportation where a personal auto or motorcycle is utilized. Reimbursement for meals and lodging, as well as transportation, shall not exceed what would ordinarily have been incurred had the most practical means of public transportation been used.

- (i) Parking charges and tolls incurred while on official business, as authorized, are reimbursable if incurred as a result of the job. Parking charges incurred in the headquarters city are reimbursable if incurred as a result of the job and on approval of the appointing authority or designee, pursuant to s. 20.916(9)(e), Wis. Stats. Receipts are required for claims in excess of \$25. Parking charges incurred at the employee's headquarters are not reimbursable, except as noted in 8.00 of this Section (Section F).

- (j) If cost effective, agencies may reimburse actual round trip mileage for travel to and from the airport on the departure and return dates. Reimbursement is limited to round trip mileage between the employee's home or headquarters, whichever is shorter, and the airport. The total reimbursement must not exceed the cost of any other reasonable means of getting to the airport, including parking fees if it would have been required.
- (k) "Vicinity" mileage on official business trips should be stated in the itinerary column on the travel voucher but does not have to be separated from the total miles claimed for the trip.

Rental vehicles should be used in situations where it is the most cost efficient means of transportation or the efficient conduct of state business precludes the use of other means of transportation.

NOTE: There are restrictions with regards to renting 12 or 15 passenger vans. Renters of 12 or 15 passenger vans must be authorized by their respective appointing authority or designee prior to renting.

When renting a vehicle:

- (a) State contract vendors shall be used unless the vendor is unable to provide a vehicle as needed. All contract vendors include Collision Damage Waiver (CDW) and liability insurance in their rates. Vehicles may be rented from non-contract vendors if a contract vendor is not available or the rental cost, including CDW and liability insurance is less expensive and services are equal to the contract vendors.
- (b) The CDW and liability insurance for domestic rentals shall be purchased when renting from non-contract vendors and when renting from a contract vendor for rentals where such coverage is not included in the contract. For international rentals, travelers must purchase CDW and liability insurance unless provided under the vendor contract for the country in which the travel occurs.
- (c) Be prepared to provide identification of state employment.
- (d) If one or two travelers are using the vehicle, an economy-sized vehicle shall be rented. A larger size vehicle may be rented and fully reimbursed if there are three or more travelers involved in state business or extra space is needed for equipment. Each day is considered separately for application of this policy.
- (5) Employees shall be reimbursed a flat rate of \$4.00 for each bag meal.

4.03 Meal Receipts

Receipts for meals are not required except for the following:

- (1) Employees of the same sex traveling together are encouraged, whenever feasible, to share lodging accommodations. Employees should be held personally responsible for unnecessary room costs that result from his/her failure to notify the hotel/motel of a cancellation, unless reasonable justification is provided for failing to notify the hotel/motel.
- (2) When an appointing authority or designee determines that it is in the best interest of the state to order the employee to stay at a specified lodging accommodation, the employee shall be entitled to the full lodging reimbursement required for such a stay. If this lodging rate exceeds the maximum permitted amount specified in 5.02 of this Section (Section F), the employee must attach documentation to the voucher which clearly indicates the employer's requirement that the individual stay at the specified lodging accommodation. This documentation shall include the employer's written authorization and justification for requiring the employee to stay at the specified lodging accommodation.
- (3) When an appointing authority or designee orders an employee to attend a business function and does not specify the lodging accommodation, the employee's lodging reimbursement shall be limited to the amount specified in 5.02 of this Section (Section F), except as provided in 5.03 of this Section.

- (4) An appointing authority or designee may permit the employee(s) to stay at a documented conference site where lodging costs exceed the maximum permitted amount specified in 5.02 of this Section (Section F) on the basis that it enables the employee(s) to gain professional benefits due to interaction with other attendees. No additional statement of justification is required.

- (4) If an employee is required to stay in a city not listed in the “Maximum Reimbursement for Lodging in High Cost Out-of-State Cities” bulletin, the greater of the rate for the nearest comparable city, or the maximum in-state lodging rate under (1) shall apply. DOA shall determine the nearest comparable city.
- (5) The reimbursement to the employee (or the amount paid directly by the agency to the hotel for the lodging) is limited to the single room rate. If employees share a room, the reimbursement may be divided equally but not in excess of the maximum amount permitted for each employee had each stayed in a single room. (The cost of a room shared by two or more employees may not exceed the combined maximum rate for an equal number of single rooms.)

5.03 Exceeding the Maximum Lodging Rate

Any amount in excess of the schedule in 5.02 of this Section (Section F) must be accompanied by a receipt and explanation of the reasonableness of such expense. Except as provided in 5.01(2) of this Section (Section F), maximums may be exceeded only when it is determined that unavoidable additional expenses would be incurred by trying to adhere to the specified maximums (e.g., high transportation costs incurred when staying at an economical hotel/motel at the edge of the city instead of staying downtown).

5.04 Checkout Times and Extended Stays

Employees shall observe posted hotel checkout hours in order to avoid a charge for the day of departure. An employee who is required to remain in one location for an extended period of time is expected to find lodging at reasonable weekly and/or monthly rates.

Reimbursement claims for laundry, cleaning and/or pressing must be supported by original paid receipts. Charges for laundry, etc., can be reimbursed only when the employee incurs the expenses while in travel status. Employees should normally be expected to pack sufficient clothing for a week without having to incur such charges. Routine cleaning of clothes is not considered a travel-related expense and therefore not reimbursable.

7.02 Telephone/Fax/Internet Connectivity

- (1) Employees are encouraged to place telephone calls in advance from the headquarters location. If telephoning from the field is necessary for business purposes, an employee must attempt to use the State Telephone System (STS), which is now available at most agency and university locations around the state.
- (2) Where STS is not available, business telephone charges (both local and long distance) may be reimbursed. Business related facsimile charges are reimbursable. Reimbursement claims for business telephone calls, business facsimile charges and/or Internet connectivity in excess of \$5.00 per call shall be supported by receipt.

Under s. 20.916(9)(e), Wis. This does not apply to travel between an employee's residence and the city in which the employee is headquartered, which shall not be reimbursable. Parking charges incurred in headquarters city resulting from daily trips from an individual's residence to the headquarters are not reimbursable unless the conditions enumerated in AG Opinion 61 OAG 210 (one of which is that the employee's use of a personal vehicle is a condition of employment) are met.

Stats.).

If the appointing authority determines that a move is a mandatory condition of employment under s. 20.917(1)(a), Wis. Stats., the minimum distance requirements are not applicable.

10.03 Maximum Amount

The maximum dollar amount which may be permitted for reimbursement of any employee's moving costs is subject to the limitations set forth in s. 20.917(2), Wis. Stats. In addition, a \$1,000 stipend may be paid for costs incidental to moving (subject to the limitations set forth in s. 20.917(1)(e), Wis. Section (Section F). Incidental costs include, but are not limited to: disconnection and/or hook up of appliances, extra insurance coverage, etc.

10.04 International Moves

Employees making international moves to the contiguous 48 states may be reimbursed for all actual, necessary and reasonable expenses subject to the prior approval of the appointing authority or designee. Actual, reasonable and necessary expenses will be subject to the limitations contained in the Federal GSA Bulletin, which governs moving reimbursement for federal employees.

NOTE: See Section A of this Plan for provisions which allow for granting a Relocation Incentive Award to classified employees under certain circumstances.

11.00 Applicant Interview Expenses

Section 20.916(2), Wis. Stats., provides that reimbursement may be made to applicants for all or part of reasonable and necessary travel expenses actually incurred in connection with oral examination and employment interviews. Persons who volunteer their services to state agencies may be reimbursed for some or all of the actual and necessary travel expenses in accordance with s. 20.916(1m), Wis. Stats., and the maximums established under this Section (Section F).

Volunteers must contact the risk management office of the agency they are serving prior to traveling on state business and seeking reimbursement for the state.

14.03 Expenses for Reasonable Accommodations

It is recognized that individuals traveling on official state business may require a reasonable accommodation, as required by the Federal Americans with Disabilities Act of 1990 and/or Section 504 of the Rehabilitation Act of 1973, as amended. Depending upon individual circumstances, the reasonable accommodation could take various forms such as payment of portage costs under 7.03 of this Section (Section F) or allowing a personal attendant to accompany the individual while in travel status.

NOTE: If it is necessary for the individual conducting official state business to have an attendant in order to participate in an off-work site meeting or travel for other work-related purposes, the attendant's travel costs, including salary, would be reimbursable if they meet the actual, reasonable, and necessary conditions set forth under the applicable federal law. The non-salary costs, e.g., meals, lodging, transportation, etc., must conform to the guidelines and amounts for travelers set forth in this Section (Section F). In addition, the salary costs must be actually incurred and reasonable, based on the normal market rates for these services.

Determination of a reasonable accommodation and the costs associated with the accommodation depend heavily on individual circumstances. Specific questions concerning the application of this section should be directed to the agency's affirmative action officer or legal counsel.

3.00 Eligibility

The following supplemental health insurance conversion credits are provided for covered employees who, on or after January 24, 2004, are laid off or retire from the service, or for the surviving insured dependents of employees who are laid off or die while in service, under the following conditions:

- (1) The credits shall be based upon an employee's full number of years of adjusted continuous service on the date of retirement, layoff or death.
- (2) The credits shall be calculated based on the employee's sick leave balance on the date of retirement, layoff or death.
- (3) An employee is not required to retire immediately upon termination from the service to be eligible if the employee has 20 years of creditable service under the Wisconsin Retirement System. See ss. 40.02(25)(b)6e. and 40.95(1)(a) intro, Wis. Stats.

4.00 Amount

4.01 General and Executive

For employees who retire, are laid off, or die while in state service with at least fifteen (15) full years of adjusted continuous service, the employer shall match each one (1) hour of accumulated sick leave up to a maximum of fifty-two (52) hours per year multiplied by the number of years of service through twenty-four (24) years. For years of adjusted continuous service over twenty-four (24) years, the employer shall match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty four (24) years.

4.02 Protective

For employees who have earned all of their adjusted continuous service while having protective occupation status and who retire, are laid off, or die while in state service with at least fifteen (15) full years of adjusted continuous service, the employer shall match each one (1) hour of accumulated sick leave up to a maximum of seventy-eight (78) hours per year multiplied by the number of years of service through twenty-four (24) years. For years of adjusted continuous service over twenty-four (24) years, the employer shall match each one (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty-four (24) years.

4.03 Proration of General, Executive, and Protective

Employees who have earned part of their adjusted continuous service while in protective occupation status shall have their credits prorated as specified in (1) or (2) below.

- (1) If at the time of retirement, layoff, or death, the employee has adjusted continuous service of less than twenty-five (25) years, multiply the number of years as general and/or executive by fifty-two (52) hours. Multiply the number of years as protective by seventy-eight (78) hours. Combine these totals to determine the maximum matching credits.
- (2) If at the time of retirement, layoff, or death, the employee has adjusted continuous service of over twenty-four (24) years, determine the proration based on the first twenty-four (24) years of service and then add one hundred and four (104) hours for each year of adjusted continuous service over twenty four (24) years.

5.00 Miscellaneous Administrative Provisions

5.01 Credits for Sick Leave Used

- (1) Employees who suffer from a personal illness or injury that requires them to use at least five hundred (500) hours of accrued sick leave during the three (3) years immediately prior to retirement, layoff, or death shall receive five hundred (500) hours credited to this account upon retirement, layoff, or death.
- (2) Employees shall be required to provide medical documentation of such illness or injury to the employer on forms provided by the employer at the time the leave is taken. Employees who have suffered such an illness or injury during the three (3) years immediately preceding the effective date of this benefit shall also be required to provide supporting medical documentation.

5.02 Access to Supplemental Credits

Access to these credits for payment of post retirement health insurance premiums shall occur only after all Accumulated Sick Leave Conversion Credits (ASLCC) have been exhausted.

5.03 Rehired Annuitant

In the event an employee returns to a position covered by these provisions after having retired, the credits in this account shall be held in escrow until the employee again retires. The credits will then be adjusted to reflect additional years of continuous service and sick leave accrual.

5.04 Conversion Pay Rate

Sick leave shall be converted to credits using the employee's highest base pay rate received as a state employee in an appointment providing sick leave, as defined in s. ETF 10.01 (3e), Wis. Admin. Code.

5.05 Conversion Pay Rate for Employees Receiving Educational Credit Add-Ons

The educational credit add-on set forth in Section A., 4.14 of this Plan will be considered a part of an employee's basic pay rate for purposes of the supplemental health insurance conversion credits provided under this Section (Section H). This treatment of the educational credit add-on applies to participants in the Wisconsin Retirement System who apply for the conversion of unused sick leave credits on or after July 4, 1999.

- (5) If the employee is reinstated and the employee’s present rate of pay is red circled in the highest position currently held, the base pay rate shall be calculated in accordance with (2) or (3) above. However, if the employee’s red circled pay rate exceeds the new pay range maximum, the employee may be paid any base pay rate which does not exceed the red circled pay rate.
- (6) The OSER Director may waive the limit on intervening discretionary **Compensation Plan** adjustments provided in (2) above, upon reinstatement of an employee following employment in the unclassified service if the work in the unclassified service was closely related to and at a higher level than the work of the position to which reinstated.
