Crisis Hotline and Emergency Numbers
 Last Updated: April 2015

If you believe that you are experiencing a crisis and would like to talk to someone immediately, you may use the crisis hotline number listed below for your county. Many of these agencies are staffed 24 hours a day, 7 days a week. In some cases, you may be directed to contact another on-call number. For life-threatening emergencies, dial 911 or your local Sheriff's Department.
