

The Office of State Employment Relations (OSER) is located on the 4th floor in the Administration Building at 101 East Wilson St., three blocks east of the State Capitol, at the corner of S. Pinckney and E. Wilson Streets.

**GETTING HERE:** There are a number of transportation options:

**Walking/Biking:** OSER is within walking/biking distance of most downtown state office buildings.

**Bus:** OSER is accessible by several city bus lines. Many city bus routes stop on the Capitol Square, about 2 blocks away. The 3, 4, and 38 routes stop within 1 block. Call Madison Metro at (608) 266-4466 for route schedule information or check online at <http://www.cityofmadison.com/metro>.

**IF YOU DRIVE:** If you drive, you are responsible for parking arrangements and costs. When possible, please car-pool with co-workers who are attending the same event or meeting. Parking is at a premium in downtown Madison and the city aggressively enforces its parking regulations. It's best to arrive a little early to increase chances of finding available parking. If you're not familiar with our location, there are a lot of one-way streets downtown, so be sure to allow extra time to navigate, find parking, and get where you're going.

**ON-STREET PARKING:** If you're visiting us for just an hour or two, there is street parking, but we can't guarantee availability. Be sure to check the meter for costs (expect \$1.50 per hour) and any signs for time or other restrictions. See the map below of downtown Madison showing our building location as well as parking ramps.
