

WORKFORCE REDUCTION RESOURCES For Agency Management

Layoff Planning Toolkit for State Agencies

<http://oser.state.wi.us/docview.asp?docid=1358>

Technical assistance and guidance for state agencies during the layoff process, prepared by the Office of State Employment Relations

Rapid Response Orientations

State agencies can call upon Workforce Development Boards across Wisconsin to provide reemployment and other services to at-risk employees. These boards operate by contract with the Department of Workforce Development under the national Workforce Investment Act. Visit the website at <http://www.wdbscw.org>.

Contact information for other Workforce Development Boards in Wisconsin can be found at <http://www.dwd.state.wi.us/dwdwia>. (Click on WDA Contacts.)
